March 16, 2020

Dear Solomon Parents/Community Members,

The Governing Board and administration have continued to monitor the rapid evolving coronavirus situation. As new information is being received, we have carefully studied it to determine if it would cause us to change our course of action.

In the process of doing so as well as meeting with local school districts and our county health departments, we receive notification that the Governor issued a statewide directive. All schools in Arizona will be closed March 16th - March 27th.

We will keep you updated as we receive more information. Please know that we, along with our community leaders and health professional, are doing our best to make decisions that will help care for all of us during this time.

School athletics (practice and competitions) before and after school has been canceled until further notice.

The school office will be closed to the public during this mandated closure.

If you need to contact the office please call 428-0477 or 428-6860. Updates will be provided thru P.T.U Facebook, Solomon School Website and Marquee.

We are currently working with National School Program to provide lunches starting March 23rd. This will be a "grab and go" type service, more information coming soon.

Thank you for your patience and understanding.

Sincerely,

Solomon School Board and Administration
